Town of Garner Strategic Plan

Introduction to the Town's New Strategic Plan

THE TOWN OF GARNER Strategic Plan is designed to be a multiyear representation of the Town's mission. It aims to serve as a roadmap for staff and Town Council over the next three to five years.

This new plan—an outgrowth of Council and staff input from earlier this year as well as several pre-existing documents—further defines the Town's strategic priorities. The structure better links Council and staff plans and employs a format that should be more useable for elected officials, staff, partners and citizens.

The plan includes these components:

- **Goal statements** that are the foundation of the Town's mission statement;
- Long-range **objectives** that further define the goals;
- Multiyear (three- to five-year) **initiatives** that will be executed to achieve the objectives; and
- Annual **tasks** captured in a separate working document and a reporting structure that will be updated regularly to track progress.

The Town's Vision Statement

THE TOWN OF GARNER nurtures the hometown charm and natural environment for residents and businesses while encouraging new economic, recreational and cultural opportunities through wise planning and investment.
